

ICCTA 2023

33rd INTERNATIONAL CONFERENCE ON COMPUTER THEORY & APPLICATIONS

Alexandria- Egypt

CALL FOR PAPERS

16th- 18th December 2023

Hybrid Conference

Purpose & Scope

The 33rd International Conference on Computer Theory and Applications (ICCTA 2023) will be organized by the Arab Academy for Science, Technology & Maritime Transport (AASTMT) in cooperation with the Computer Scientific Society (CSS) with technical co-sponsorship by IEEE Alexandria subsection. The purpose of ICCTA 2023 is to serve as a multi-disciplinary forum for the exchange of information on research, development, and applications of all topics related to computer theory and its applications. ICCTA 2023 provides opportunities for researchers, specialists and vendors of Information Technology to get together and exchange ideas and expertise. ICCTA 2023 will be organized as a hybrid conference allowing physical and virtual attendance and participation.

Location

The conference will be held at Arab Academy for Science, Technology and Maritime Transport (AASTMT) on 16-18 December 2023 at the Abu Qir Campus. AASTMT was established in 1972 providing high-quality education to people located in the Arab region. The Abu Qir Campus is located in the rural setting of the large metropolis of Alexandria.
