

CALL FOR PAPERS

Purpose & Scope

The 36th International Conference on Computer Theory and Applications (ICCTA 2026) will be organized by the Arab Academy for Science, Technology & Maritime Transport (AASTMT) in cooperation with the Computer Scientific Society (CSS) with technical co-sponsorship by IEEE Alexandria subsection. The purpose of ICCTA 2026 is to serve as a multi-disciplinary forum for the exchange of information on research, development, and applications of all topics related to computer theory and its applications. ICCTA 2026 provides opportunities for researchers, specialists and vendors of Information Technology to get together and exchange ideas and expertise. ICCTA 2026 will be organized as a hybrid conference allowing physical and virtual attendance and participation.
